

Business Services Reference Guide

Your connection to business resources,
information, talent and funding.

TAX CREDITS

Are you hiring new full-time employees and investing in your operation?

- You may be eligible for tax credits and training grants through the city and state to offset your costs.

Are you a Small Business (under 50 Kentucky employees) that hired at least one employee over the last year?

- You may be eligible for a tax credit up to \$3,500 per employee.

HIRING & RECRUITING

Are you having trouble hiring certain positions?

- We can connect you to resources available through the state and higher education. We can also promote your positions through different avenues.

Are you recruiting a new employee and need that extra help to seal the deal?

- Our team can arm you with information and data related to quality of life, schools, cost of living and much more.

INVESTMENTS

Are you investing in new equipment and/or new construction?

- You may be eligible to save on the sales tax of those purchases.

Do you need help with angel investment, starting a business or city permits?

- Our team hosts the Lexington Economic Partnership. Our partners are the Cabinet for Economic Development, City of Lexington, University of Kentucky, Bluegrass Community and Technical College, Kentucky Career Center, and Bluegrass Area Development District.

From start-ups to established businesses of any size, our seasoned team and strategic partners are here to help you do amazing things.

SMALL BUSINESS DEVELOPMENT

Do you need help with a business plan and obtaining financing?

- The Kentucky SBDC provides no-cost, confidential business coaching to help entrepreneurs and small business owners start, grow, and succeed. Through one-on-one coaching, educational workshops, and valuable business resources, Kentucky SBDC helps businesses make informed decisions, overcome challenges, and achieve sustainable growth.

NETWORKING

Do you want to connect with similar companies in the area to share best practices?

- We have networking groups for manufacturers, biotech companies, customer service centers, headquarters, the tech sector, and others as appropriate.

REAL ESTATE
