

MEMORANDUM

DATE: October 6, 2011
TO: Mayor Jim Gray
Lexington Fayette Urban County Council
FROM: Gina Greathouse
Commerce Lexington Inc. 
SUBJECT: Quarterly Report – First Quarter 2012

After reviewing the quarterly reporting process for the last fiscal year with a few LFUCC members, representatives from the Mayor's staff, and our Vice Chair of Economic Development, we have streamlined our reporting and are now submitting our first quarter results in a much more efficient manner. Attached you will find our quarterly metrics with the details of our activities. Our goals have been revised, and increased in hopes that we will see a brighter economic picture for 2012. Just a few trends I'd like to mention to you:

Unemployment levels are slowly dropping. Good News, as was recently reported by the Kentucky Office of Employment and Training, Lexington has the second lowest (albeit still high) unemployment rate in the Commonwealth. Lexington is currently at 7.2% unemployment, just behind Woodford County at 7.1%. We are slowly inching our way downward.

U.S.Census Data Released. Not so good news, Lexington, like many other communities, saw drops in educational attainment, personal & median household income levels. Educational Attainment of people 25 years and older dropped from just over 40%, to 36.6%. We are still strong, but we seem to be losing some of our brainpower. Not surprising, given the economic situation, but troublesome, nonetheless. This is not just a Lexington issue; other major MSA's saw drops as well. See attached chart for more details.

On behalf of the entire Commerce Lexington Board of Directors and the staff of our economic development division, we again want to personally thank you for your continued financial support towards our economic development efforts. We recognize this current budget process was a difficult one, and that many hard choices had to be made. Thank you again for your continued support of the team.

The BBDP team has just completed our reports for the first quarter. Included is:

1. Economic Impact Report.
2. Quarterly Metrics.
3. Lexington, KY Fact Sheet
4. New & Expanding Industries Report.

As required by the purchase of service agreement, we are providing our quarterly metrics, which outline our activities.
