Kentucky Business Investment Program

July 2026

This fact sheet provides an overview of the Kentucky Business Investment (KBI) Program. For a full discussion of the program requirements, please see [KRS 154.32](#). As with all Cabinet administered tax incentive programs, any inducements offered to an eligible company under the KBI program are negotiated by Cabinet for Economic Development officials and subject to approval by the Kentucky Economic Development Finance Authority (KEDFA).

Incentives

Businesses meeting the minimum eligibility criteria may be eligible for incentives through the KBI Program. Projects located in heritage counties, as well as projects with total investment greater than \$200 million, regardless of county location, may be eligible for KBI heritage incentives. Incentive Recovery Parameters	If each of the minimum requirements is not met as of the activation date, the agreement is considered cancelled and the approved company will not be eligible for any of the incentives. If the minimum requirements are met as of the activation date but are not met at the annual review date(s), the incentives may be suspended or, with the appropriate approval from KEDFA, terminated. If minimum requirements are met, the tax incentives remain in place until the authorized recovery amount (approved cost) is realized or the term of the tax incentive agreement ends, whichever occurs first. Unused credits that have been authorized for the project may be carried forward for the term of the tax incentive agreement; however, unused credits expire at agreement maturity.

	Owned Projects	Leased Projects
Eligible Costs	Eligible costs will only include costs incurred after the date of preliminary approval. Targets and Potential Adjustments of Approved Cost for Eligible Projects

The tax incentive agreement will include the total maximum approved costs that may be recovered over the term of the agreement in addition to the annual maximum approved costs for each year of the agreement. Job and wage (including employee benefits) targets higher than the minimum requirements will be negotiated and included in the agreement. These targets will be measured against actual amounts as of the activation date and averaged annually for the company's fiscal year throughout the term of the tax incentive agreement.

- Projects that achieve actual job and wage results equal to or greater than 90% of the targets will be eligible to claim 100% of the annual maximum approved cost for the following year.
- Projects that achieve actual job and wage results less than 90% of the targets will incur a reduction of the annual maximum approved cost for the following year equal to the same proportion by which the project fell below its targets. If both targets are missed, the greater percentage reduction will be required.
- If the eligible costs incurred as of the activation date are less than the maximum approved costs, the approved incentive amount will be reduced to the confirmed amount of eligible costs, and the annual maximum incentive amounts will be modified accordingly.

A non-refundable application fee of \$1,000 is payable upon submission of the KBI application. Prior to final approval, the company will be required to pay an administrative fee equal to one-half of one percent (0.50%) of the final KBI amount authorized in the Tax Incentive Agreement up to a maximum of \$50,000. In addition, the company will pay all legal fees, including expenses of counsel to KEDFA, necessary for the preparation of the Tax Incentive Agreement.

Heritage Counties

Kentucky counties are designated as “Heritage Counties” when the county population ranking scores greater than or equal to ninety-seven (97). Once a company enters into a tax incentive agreement, the company maintains its heritage incentives for the term of the agreement regardless of any change in the county’s status. If an “industrial park”, as outlined in the criteria in KRS 154.32, is located in two or more counties, one of which is a heritage county, projects undertaken in the industrial park may be approved for heritage incentives.
