Subject: Project Wave Population/Labor Data

Good afternoon,

I pulled the population/labor numbers for the regions you requested. Turns out that JobsEQ could handle 5 mile ranges after all.

Location	Population	Labor Force	Labor Force Participation Rate
Richmond Begley 5 Mile Radius	88,393	44,663	61.5%
Richmond Begley 30 Min Drive	342,755	174,424	63.1%
Richmond Begley 45 Min Drive	789,073	394,560	61.9%
1515 Mercer Rd 5 Mile Radius	189,942	101,737	64.4%
1515 Mercer Rd 30 Min Drive	685,198	359,091	65.0%
1515 Mercer Rd 45 Min Drive	898,839	457,426	63.3%

Just let me know if there's anything else I can help with. I have full Demographics reports I can pull on these regions if you need them.

Thank you,
